Nolasimbo Consulting Engineers & Planners LTD.

QUALITY POLICY STATEMENT

Nolasimbo consulting Engineers & Planners LTD is a conglomerate of seasoned engineers and planners of various Transportation Engineering disciplines with experience gained over the years in their chosen field of specialization.

We acknowledge the importance of providing services that exceeds our client's expectations.

We are committed to consistently satisfying our clients by providing them with quality service that meet specify standard in terms of workmanship, materials and timely schedule.

Nolasimbo consulting Engineers & Planners Ltd is committed to implementing and maintaining a quality Management system in accordance with ISO 9001:2015 Requirements.

To continuously achieve and maintain this policy, we have established our quality objectives as follows:

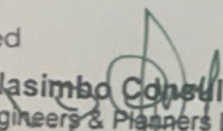

- To delight our customers by meeting and exceeding their requirements
- Continually focus on zero defect level to improve Profit Margin
- Complying with requirement of pertinent agencies.

These objectives are best achieved by recognizing, understanding and evaluating customer's needs and striving to meet and exceed their expectations.

Management at all levels are committed to the efficient operation and continual improvement of the managements systems. The successful implementation of the quality management system is dependent upon the cooperation and involvement of all personnel at various levels.

It is therefore my directive that all various stakeholders in the company shall therefore diligently implement NOLASIMBO quality policy.
